## JVS OML (Own My Learning) Days

Dear Sec 2 to Sec 5 Parents/Guardians,

We will be conducting our first **JVS Own My Learning (OML)** day on **Wed, 28 January 2026**.

The JVS OML initiative aims to develop students into independent, lifelong learners. These days provide a unique opportunity for JVNites to build intrinsic motivation and nurture self-directed learning habits by exploring their specific interests and passions.

### Logistics and Attendance

During OML days, teachers will assign learning tasks via **Google Classroom**. Students are required to log in to their Student ICON email, access their respective classes, and **submit their attendance by 7:45 AM**.

### Task Completion and Digital Wellness

Students are expected to complete all assigned tasks by the deadlines set by their teachers. Each task is designed to be completed within the OML day itself. In alignment with the *Guide on a Safe Digital Learning Environment for Students*, we are also committed to promoting healthy sleep hygiene. To ensure our students are well-rested and ready for the following school day, please note the following:

- Official "Sleep Hours": The school has designated **9:30 PM** as the commencement of official device-free hours.
- Since most students begin their day at 6:30 AM, a **10:30 PM** bedtime is essential to achieve the recommended eight hours of rest.
- We strongly encourage students to discontinue digital device usage one hour before sleep (9:30 PM) to facilitate a proper wind-down.

As OML is an integral part of our curriculum, we seek your support in ensuring your child/ward completes their tasks in a timely manner so that their digital work does not interfere with these essential rest periods.

### Technical Support and Inquiries

Students facing issues with their accounts or Personal Learning Devices (PLDs) have been advised to visit the PLD Centre @ Library for assistance. Should you have any questions regarding OML, please feel free to contact your child/ward's Class Mentors (CMs).

Thank you for your partnership in supporting our students' learning journey and their overall well-being.
